

FACULTY SENATE ISSUE FORM

Date Submitted: 1/23/2024

Title of Issue(a short descriptive title by which the issuemay be referenced):
GraduateCatalogEdit: Graduate Credit for ODU Undergraduates

of Issue:

TheGraduateAdministrators' Council (GAC) recommended changes to this policy to reflect clear language on how credits can be used toward the undergraduate and graduate degrees for approved linked programs, especially how up to 12 credits taken as an undergraduate may also be applied toward the graduate degree in a way that allows these credits to dual count for both degrees. Additional edits made the list of linked programs more up-to-date.

Rational for Submission:

The need for this change and clarification is significant in our competitors often allow such credit sharing; when do not we are disadvantaged. Further, this policy is hoped to encourage more students to remain at ODU for their graduate degrees, thereby enhancing our faculty's ability to keep talented students and positively impacting graduate enrollment.
