Program Transfer Pathway Notes:

Applicants for admission to the undergraduate degree program in business administration (the Bachelor of Science in Business Administration) should apply initially to the Office of Admissions of Old Dominion University. Students cannot be accepted into business administration without first being admitted to the University. Admission to the University does not guarantee admission to the Bachelor of Science in Business Administration (BSBA) program. Candidates for admission to the BSBA program should indicate on the application to the University their intention to enter the undergraduate business administration degree program.

After admission to the University, students should meet with their advisor to start the application process for the BSBA program. Students will have one semester to successfully be admitted before restrictions are placed preventing registration for 300-400 level business coursework in subsequent semesters.

To participate in this articulated transfer pathway, please visit Old Dominion

Website at <https://itsapps.odu.edu/gaat/>

Students may complete the Letter of Intent after 15 credits at CSM with a 2.5 GPA.

Completion of this articulated transfer pathway alone does not guarantee admission to Old Dominion University. All students must meet the requirements set by the Office of Admissions and the MOU established for guaranteed admission with the College of Southern Maryland. Please review this document for more information.
