- 3) Statistical data for 2011 reflects final Clery submission totals.

Total	\$28,646,275	\$20,801,482	\$22,188,608	\$22,000,000	101%

Notes: Total giving includes the sum total of all contributions (pledges, gifts, expectancies, and pledge potentials) made by all the constituents towards educational and athletic foundations. Total giving is the central measure of success for every fundraising activity. Giving is constantly monitored and tracked. This measure helps us to strategize our moves/plans to reach our goals. The goal is to raise 10% more than the total of the average of the last three years. FY is fiscal year (July 01-June 30). YTD is year-to-date.

Planned Giving: Educational and Athletic Foundation

Notes: Planned giving is an area of fundraising that refers to specific gift types that can be funded with cash, equity, or property. Planned gifts are gifts that require more planning, negotiation and counsel than many other gifts. This program involves several layers of marketing and planning with a focus on future cash flow for the University. The dollars raised through this program is an effective measure of the success of our marketing and other fundraising efforts.

Notes:

- 1-The NCAA developed the Academic Progress Report (APR) to track a university's commitment to enhancing the student-athlete's potential of earning their undergraduate degree. The APR provides a "real time" snapshot of a Division I team's eligibility and retention success, (the APR pertains only to student-athletes who are receiving an athletic scholarship).
- 2-The NCAA has set a minimum APR standard for each athletic program. This standard is calculated by averaging a sport program's eligibility and retention points for the last 4 years. Each sport must maintain or exceed the minimum standard. (The minimum APR standard is 930.)
- 3-The men's programs met or exceeded APR standards for post-season eligibility and therefore did not have to serve any penalties.
