L. Safeguarding departmental petty cash funds

Petty cash fund custodians are responsible for handling University funds and must take all necessary steps to safeguard the funds. Each department is responsible for the cost of providing a secure environment. The minimum required safeguards for petty cash funds are as follows:

- 1. Petty cash funds over \$500 must be secured in a locked box which is stored in a fireproof safe.
- 2. Petty cash funds of \$100 to \$499 must be secured in a locked box which is permanently affixed to a desk, cabinet or some other large object.
- 3. Petty cash funds under \$100 must be kept in a locked box that is stored in a locked desk or file cabinet.
- 4. All petty cash funds and the keys to these funds must be maintained on University property unless written permission is obtained from the Budget Unit Director or the custodian's supervisor. Any violations of this policy may result in the withdrawal of the petty cash fund from the department and possible disciplinary action against the custodian.

- 3. All established purchasing restrictions apply to departmental petty cash funds.
- 4. Departmental petty cash funds MAY NOT be used to cash checks under any circumstance.
- 5. The restrictions that apply as to what types of expenditures can be paid using Commonwealth versus Local funds are the same regardless of the payment mode.
- 6. Cash may be advanced from the departmental petty cash funds only for business related expenses. Receipts for the expense and/or cash equal to the original advance must be returned to the petty cash fund custodian within 24 hours of the receipt of the advance. The person receiving the cash advance takes full responsibility for the return of the cash and/or receipts, including responsibility for any cash lost or stolen.
